

Junior High Teams Close Year Today

In an effort to complete the '55 basketball season by the set deadline of March first, four of the five quints in the junior high loop are playing rescheduled tilts this afternoon to close their cage campaign.

Wakefield's junior Warriors will face the Colonials of Williamsburg today in a cancelled game called on the twenty first of January due to an outbreak of flu in the south side school.

Wakefield has already been assured of the No. 1 spot in the league with a six and one record, whereas Williamsburg is fighting to place second in the standings.

Earlier, these two squads met on the Warriors home floor where the host squad came out on top by a 29 to 18 margin.

In the event that Williamsburg upsets the Wakefield five, it will finish the season with a five and three average, putting them in the No. 2 slot. However, if the Colonials are dropped by the Warriors, they will be tied with Thomas Jefferson for second place in the event that the latter school loses also.

In the game that will decide the fate of former county champions Thomas Jefferson, the Tommies will face Swanson for the second of a series of two rescheduled tilts.

The first was played yesterday at Swanson where the Admirals won 37 to 35. Today's game will be at Jefferson. Both games of this series will be covered fully in the Saturday Sun.

In the league of five squads, teams play opposing quints twice during the course of the campaign. Hence, Jefferson and Swanson met for the first time yesterday, as both games were called off earlier.

Stratford, the other school in the league has completed its '55 schedule with a three and five record.
